

Pk innovative designing Day 1(19/03/2022) report

Today I started my internship. First I am done with the installation process. Then I started to learn the adobe learning path. At 12 pm I was completed with 1 video then I started to do a practical session .

In the learning path . I am learning more about Adobe XD and using some tools for the work process.

For a start up i create a map app

Today i done with it video 1 .with in todays night i done with further videos

THANK YOU
